

Another Year Done

Well, we have completed another school year and what a year it has been!

In the Autumn term we welcomed our new reception children, went on trips to Foxley Wood, The Sea Life Centre and delivered letters to Santa. We held a Maths café and a teddy reading event. We had our first Christmas Fayre with a very special guest and the children performed brilliantly both in the nativity play and the carol concert.

The Spring term brought another Maths café, this time for KS1, and our healthy eating art competition run by the school council. We also won the Norfolk County Council 'Name the Gritter Competition' - well done Cader class for your choice of Gracie. Year 6 joined the Crucial Crew, and we had our first values day—Resilience. The term ended with the Dance show at The Space in Norwich.

There was no slowing down as we went into the summer term. We began with a visit from Shizuka as part of our Japan week. We had trips to the beach, and Norwich castle as well as our residential in school. We held a code breaker treasure hunt, a reading picnic and our annual fete, which was amazing. As well as all this the children took part in a number of national tests and were fantastic!

As we head into the summer holidays we all want to wish you a lovely summer, full of sunshine, family time and restful moments. We look forward to another year, full of fun, friendship and learning in September.

See you all on the 3rd!

Term Dates
